# Biannual mail
Spring 2022
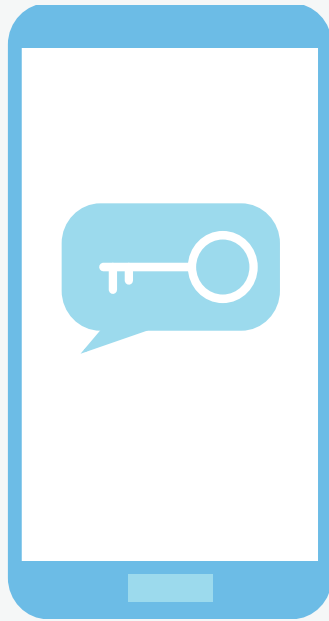

Microsoft Office and ITU Cloud Storage

All staff and students have access to the Microsoft Office 365 package, which includes Microsoft Teams and OneDrive.

ITU offers cloud storage options through Microsoft.

Be aware! Please do not use your ITU account to log onto your private PC. Otherwise you may be locked out of your PC, when you leave ITU and your Microsoft account is closed.

Microsoft Office

Multi-Factor Authentification

Multi-Factor Authentification (MFA) allows you to keep your accounts safe.

All staff and students at ITU are required to use MFA.

IMPORTANT: To avoid being logged out of your account, please make sure to have 2 or more alternative methods for authentification.

Free Services

ITU offers students a number of free services such as
NVIVO, Overleaf, LinkedIn Learning Premium account,
and many more!

As a student you are also offered some discounted products,
which ITU are not affiliated with or responsible for.

Check all the offers out at the link below

Get started

FortiClient VPN

If you need access to articles that require an ITU network connection, you can download the FortiClient VPN and log in with your ITU credentials to gain access.
