

One.com

Please follow the guide below to use the voucher code: **ITU27**

1: One.com account.

Very important: please use your **private email address** (Microsoft mail, Google Gmail etc.) when you create a One.com account, as you will receive invoice and other information to this email. ITU closes your ITU email when you graduate from ITU, but your One.com subscription doesn't stop until you cancel it yourself.

4: Press Continue, then Continue, and then add your Customer Details.

The screenshot shows the 'Customer details' step (Step 3) of the checkout process. It includes tabs for 'New customer' and 'Existing customer'. The 'Register as:' section has radio buttons for 'Private customer' (selected), 'Company customer', and 'Public sector'. There are input fields for 'Email*', 'First name*', 'Last name*', 'Country code*' (set to +45), 'Mobile phone*', and 'Country*' (set to Denmark). An 'Address*' field is also present. At the bottom, there are checkboxes for 'I want to register the domain to someone else' and 'I consent to receiving general marketing communications.' The right side of the page shows the 'Your cart' summary, which now includes a 'Hosting plan: Professional' for 1548,-kr. The total remains 0,- kr. A 'Continue' button is at the bottom.
