Minutes:

1. Update on Summer games

- Enrico gave a thorough plan. Student volunteers are found.
- Hanna suggested this to be ITU Games 25 party and that the professors organize the 2nd day.
- Students are to deliver a suggested budget, confirm the date, and start thinking of publicity plan

2. Information

- HoSP
 - ITU is now a member of Games Denmark, and Hanna will be our representative on the Education Policy Board.
- BoS
 - Cuts in study places
 - Future hearing of students through BoS was recommended.
 - GenAI
 - Revised guidelines now available
 - Hajo finds the new guidelines little vague in regard to mention of CoPilot.
 - How are the guidelines to be reinforced remains a question?
 - All courses need GenAI in course description – how and by whom this will be handled for next semester is yet to be decided.
 - WiseFlow is to be introduced to the rest of ITU in Autumn 2025. Students who have used it elsewhere mention good experiences.
- Students
 - SAT discussed student event calendar and gave suggestions on how to continue to improve and promote items
 - Reminder to promote feedback giving through course evaluations that start very soon

3. Visit from Luís

- Introduction by the Head of Education and relevant conversations about the future and priorities
