Werewolf: Social Deduction Game

📍 2A52

Break

Optional Board Game/Social Hangout
📍 2F13 in DR | Aud 3 | Grønningen

🎉 ITU Intro Party 🎉
📍 Atrium

ABOUT THE PROGRAMME

😊 Planned by students who have been in your shoes 💬

If you're feeling a little nervous about starting, that is completely normal. Don't worry, our tutors and buddies are excited to meet you and will be there to guide you and answer your questions throughout the intro-days.

🌱 Join in at your own pace

The purpose of the programme is for you to get a warm and safe welcome to ITU and help you get to know your fellow students. We hope that you want to join us for all the great stuff we have planned.

Remember, you are welcome to participate in ways that suit you. Whether you choose to join in or simply observe; both are valid ways to take part in the activities.

🗨️ What to expect?

The format of the activities varies between presentations from various ITU-teams and activities that help you get to know your study programme and your peers. Some will take place on campus, and some will be at *Grønningen* – a nearby park.

The colour codes roughly indicate: **Green** for academic introductions and information, **rose-pink** for shared activities across study programmes, **grey** for breaks and optional social activities, and **purple** for practical information on support services.

🌟 Breaks & Chill-Zone

We understand that there's a lot going on and a lot of information to take in. Along with the scheduled breaks, we have prepared a chill-zone that is open at all times throughout the week for you to withdraw to and take a breather.

🍱 Lunch is not provided during the intro-days

Bring a packed lunch or try out our canteen 🍴

? Questions related to the intro days?

No question is too small. Don't hesitate to ask your tutors and buddies wearing a green t-shirt. You can also reach them directly through the Teams groups or contact the Study and Career Guidance team at studentadvisors@itu.dk.
