IT UNIVERSITY OF COPENHAGEN

ITU Career Weeks kick off

March 17, 10:30- 13:00 in Atrium

Meet the ITU Study and Career Guidance team and this semester's career ambassadors – students just like you – who will introduce the Career Weeks programme over a piece of cake in Atrium.

Playfulness and Creative Thinking

March 17, 16:15-18:15 in 2F12

What do playfulness and creativity have to offer in an AI-shaped future? In this hands-on workshop, we explore how playful methods can help break default thinking, create stronger ideas, and gain more original perspectives. The focus is on playfulness and creativity as serious tools for navigating complexity and building human-centered skills in a world of AI and automation. Sodas and a light dinner included.

Gravity Club

March 19, 15:00-18:00 in ScrollBar

How is AI actually used in space today and what does it look like to build a space tech startup in practice? Meet startups working with Space & AI and hear how they use space data to build real products and businesses here on Earth. You'll get an inside look at how satellite data and AI are turned into practical solutions and why working with space doesn't have to be as complex as it sounds. There will be pizza, beer, soft drinks, music, and a competition where you can win an experience in "zero gravity".

Breakfast & Brainfood

March 24, 8:30-10:00 in ScrollBar

Come and join us for a cosy breakfast and an inspirational talk. Enjoy a freshly baked bun with fellow ITU students and meet an industry expert. Scan the QR code to find the sign-up page, where you can read more about the speaker and the theme of this breakfast.

Ace Your CV and Cover Letter: A Workshop for Soon-to-Be Graduates

March 24, 16:00-17:30 in room 4A14/16

Prepare for your transition from student life to a professional career with our workshop designed to help you craft a standout CV and cover letter. Led by Lene Beck Holm from Akademikerne, this interactive seminar will provide practical insights and actionable strategies to help you secure your first job after graduation.

You will learn:

- How to structure a clear, concise, and targeted CV.
- What details recruiters care about – and what to leave out.
- How to write a compelling cover letter that highlights your strengths and matches the job you are applying for.
- Real-world examples of what works (and what doesn't)

Whether you are starting from scratch or refining your existing applications, this workshop will equip you with the tools and confidence to present your skills and experience effectively. Join us and get one step closer to landing your dream job.

CV check with Deloitte and Aogtil

March 25, 09:00 – 13:00 in Atrium

Need advice on making your CV eye-catching for employers before bringing it to IT Match Making? Get your CV checked and receive valuable feedback on how to improve it. Don't miss this opportunity to receive feedback on your CV and have an informal advice session with recruitment specialists from Deloitte and Aogtil. Just drop by.

This activity is open to all ITU students. Deloitte also works actively with inclusive hiring, including attention to neurodiversity.

Navigating Your Way to Employment – Opportunities and Support for Students Receiving SPS

March 25, 10:00 – 12:00, Room 4A14-16

Are you a student living with a psychological, neurological, or physical disability and curious about life after university? Would you like to learn more about entering the job market and the opportunities available to you? Then this event is for you.

Representatives from IDA and Jobcenter København will participate and share insights into the process of finding a job and available support options.

Please note that the event will be held in Danish.

IT Match Making

March 26, 10:00- 14:30 in Atrium

Looking for a student job? Or maybe you are graduating this summer? Join the IT Match Making career fair and meet your future employer. Whether you are a 1st-year student or completing your master's, don't miss this chance to shape the early stages of your career. Meet hiring managers interested in ITU students with your profile and competencies and connect with ITU alumni who are happy to share their first-hand experience working at the company.

Demo & Drinks

March 26, 16:30-20:30 in ScrollBar

A celebration of student entrepreneurs and a chance to see entrepreneurship as a career path. Join us for inspirational talks featuring ITU graduates who turned their bachelor's/master's thesis into real companies, and student pitches from the Make it Matter startup program. Get inspired, meet the builders, and see how an idea can become a way to make a living. There will be drinks, food, DJ, and a proper celebration of the ITU NextGen community. Everyone is welcome.
