

TALENT TO  
**DENMARK**

# GET TO KNOW YOUR COMPETENCIES

Welcome to the webinar!

We will start at 9.00, and look forward to give you tips and ideas.

You are welcome to share in the chat already now, what you hope to gain from the event and if you have any questions in mind.

We will try our best to follow up on each of them.

# **Get To Know Your Competencies**

*June 3, 2020*

***Why is it important to know  
your competencies?***

***Why is it important to know  
your competencies?***

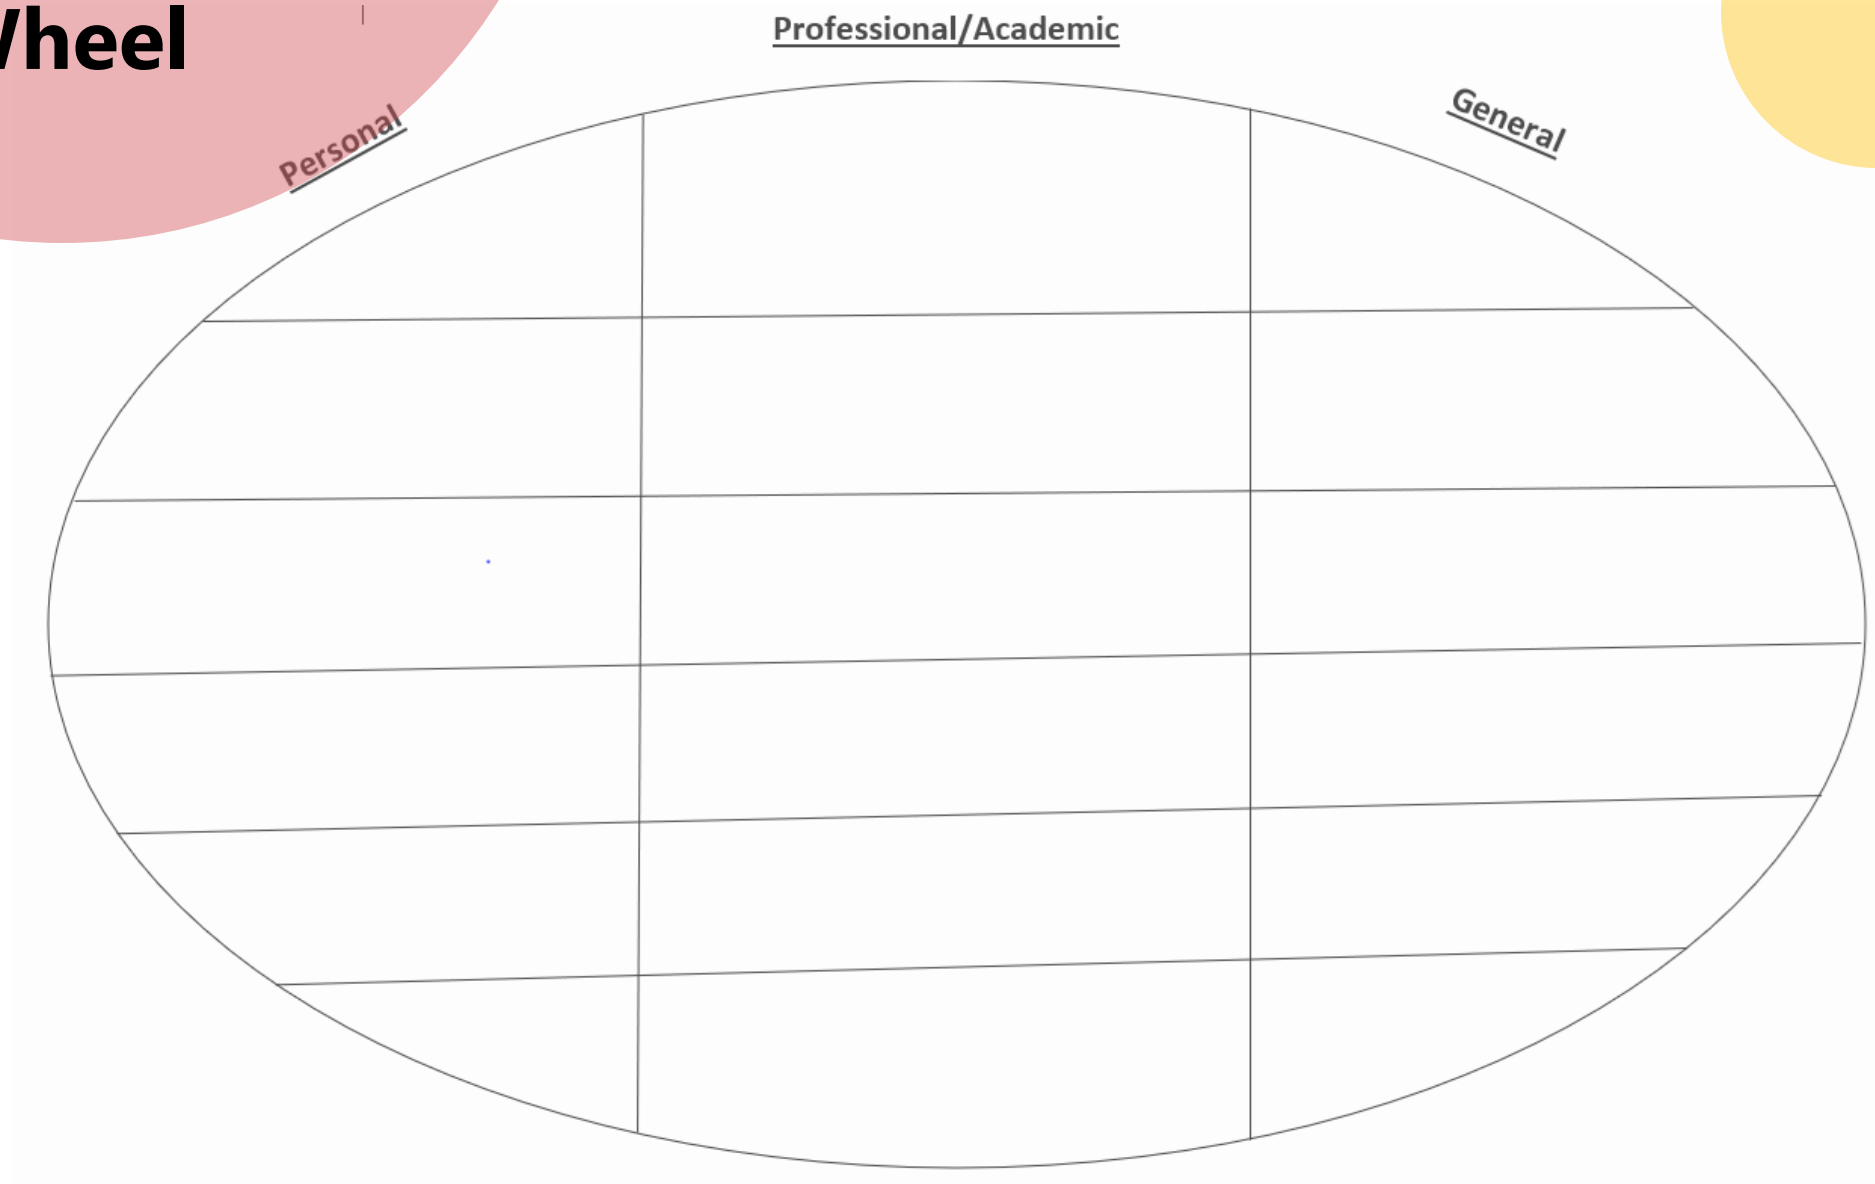

- Competencies are the core of your job search.
- Your ability to communicate your skills influence your job search.
- Therefore: it is important to know your competencies & have a nuanced vocabulary.

## ***How do you get started?***

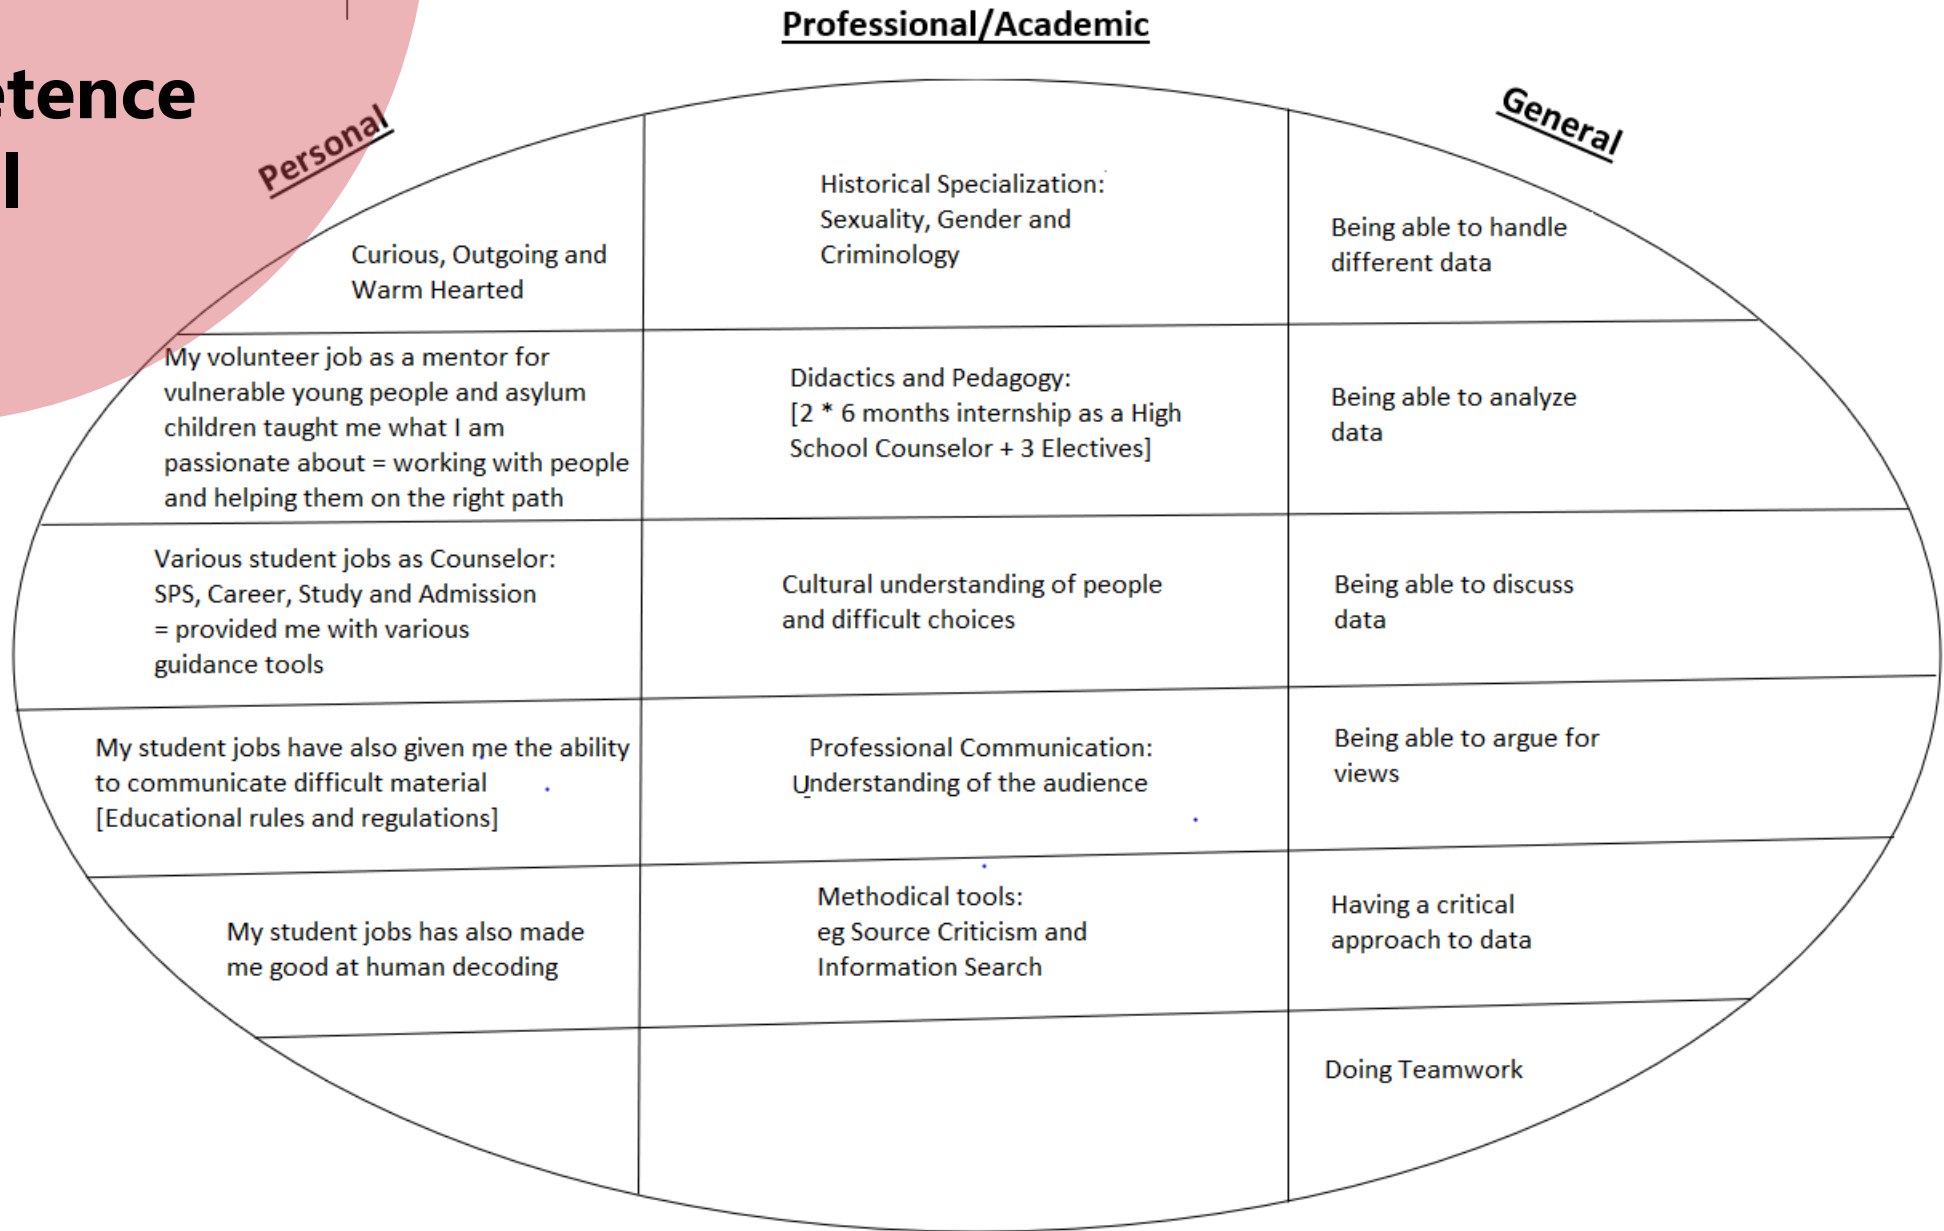

- Remember to look at all your competencies – not just those on your diploma.
- They are hiring a whole person; a competent co-worker and a colleague
- Dare to make yourself shine!

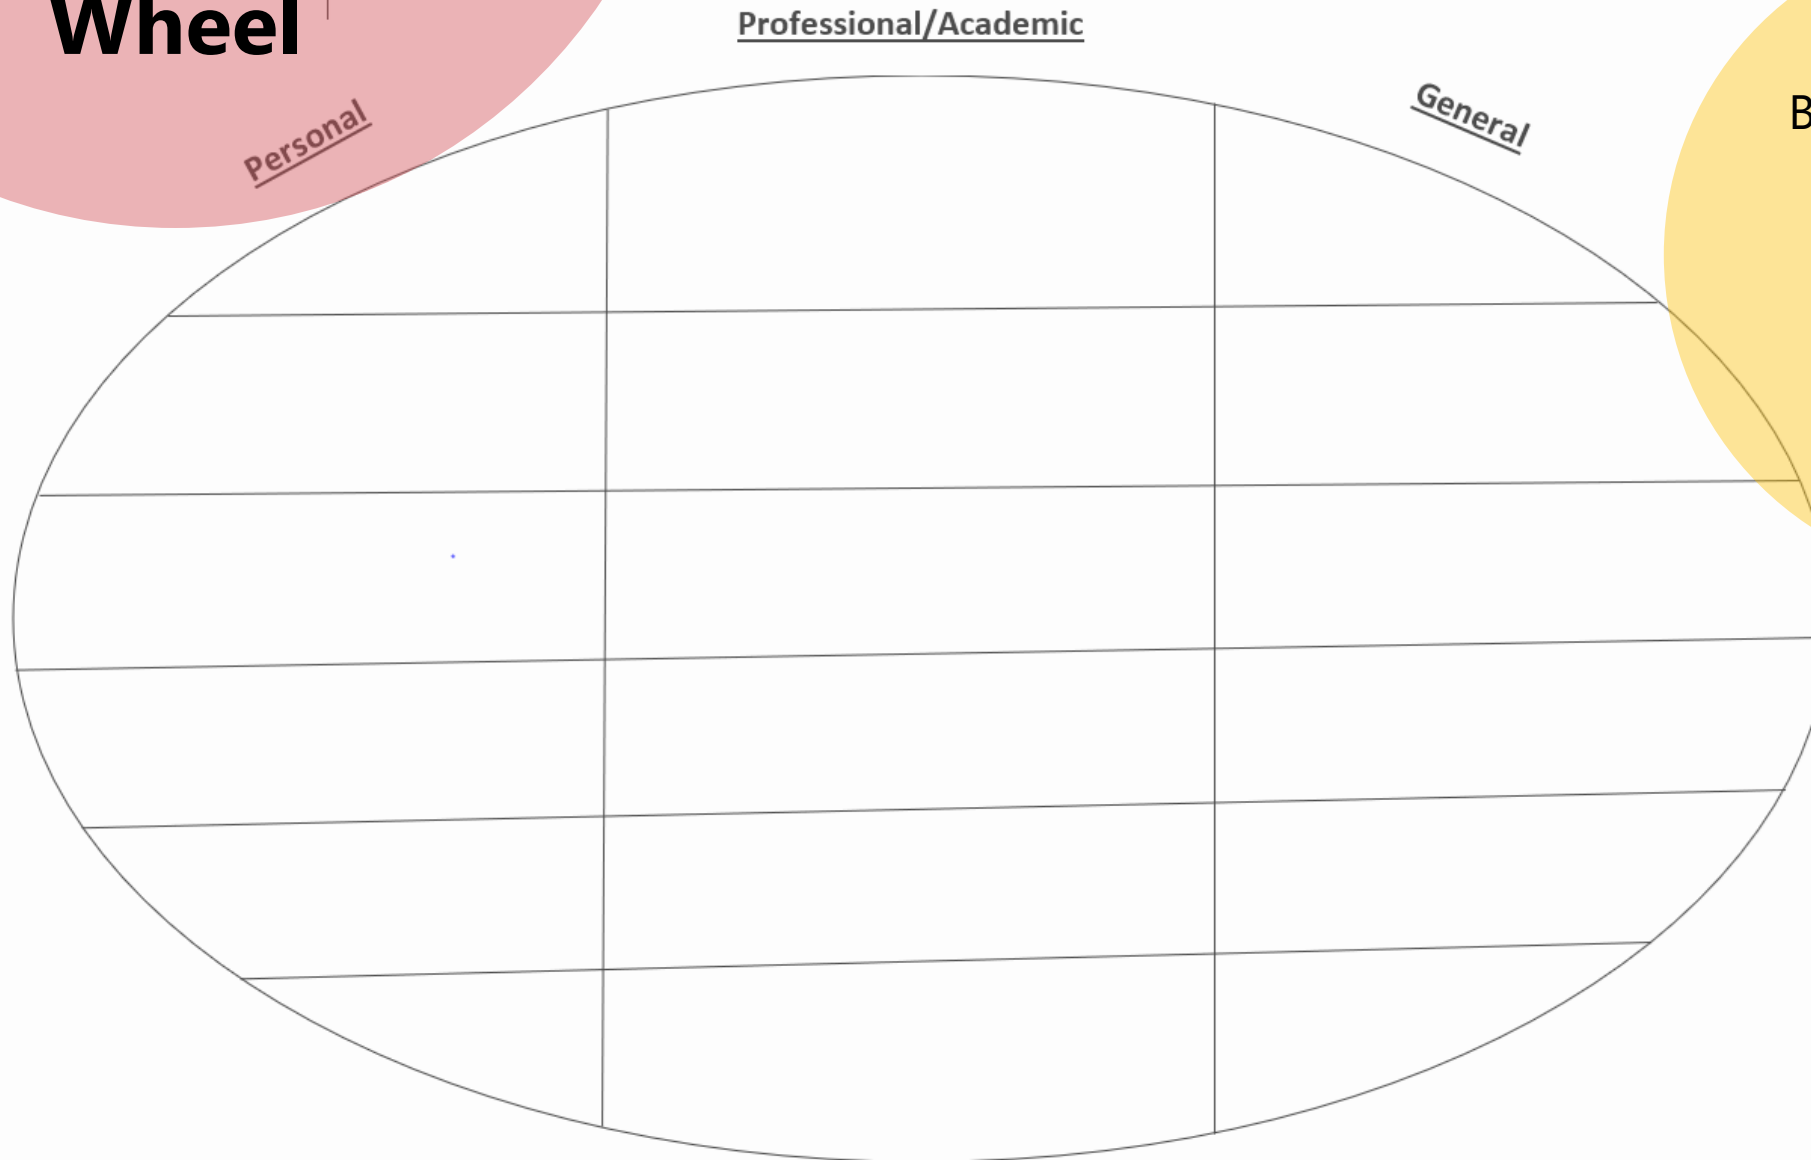

# The Competence Wheel

# My Competence Wheel

# The Competence Wheel

Brainstorm on your own for 10 minutes.

Chat, if you have any questions!

## Professional/Academic

Personal

General

|  |   |                                     |
|--|---|-------------------------------------|
| Curious, Outgoing and Warm Hearted   | Historical Specialization:<br>Sexuality, Gender and Criminology                               | Being able to handle different data |
| My volunteer job as a mentor for vulnerable young people and asylum children taught me what I am passionate about = working with people and helping them on the right path | Didactics and Pedagogy:<br>[2 * 6 months internship as a High School Counselor + 3 Electives] | Being able to analyze data          |
| Various student jobs as Counselor:<br>SPS, Career, Study and Admission<br>= provided me with various guidance tools  | Cultural understanding of people and difficult choices  | Being able to discuss data          |
| My student jobs have also given me the ability to communicate difficult material<br>[Educational rules and regulations]  | Professional Communication:<br>Understanding of the audience                                  | Being able to argue for views       |
| My student jobs has also made me good at human decoding  | Methodical tools:<br>eg Source Criticism and Information Search                               | Having a critical approach to data  |
|  |   | Doing Teamwork                      |

# Competences

## The core of your job search

Competences, qualifications and skills  
Same same – or actually different things?

### Qualifications

vs

### Competences

Knowledge  
Skills  
Views & positions

- WHAT -

The way in which  
qualifications are  
used in practice

- HOW / WHY -

In groups of 4:

Give examples of how each  
of you approach group work  
and work in groups.

Find similarities – and  
differences in ways to  
present your ability to work  
in groups.

10 min

# QUESTIONS?!

**Raise** a hand or **type** a question!

# SLIDES & FURTHER READING

Our slides are now online:
