## Agenda

### 1. Approval of agenda

The agenda was approved

### 2. Approval of minutes from meeting 25 August 2020

The minutes were approved

### 3. Information

- Study Board – Two important things to notice:
  1. Course- and supervision evaluations: GAMES received very satisfying scores
  2. Credit transfer application: Will continued to be handled by HoSP
- Events – No events other than the Town Hall Meeting
- Students - Nothing
- Study & Career Guidance – There are 3 projects from Games Design for this year's Thesis Talks. It will be pre-recorded. We will make sure to share it with all GAMES students

### 4. Exemptions from CROSSDIT

We had a discussion on the criteria for getting an exemption from CROSSDIT. The reason for the discussion was a disagreement over a denied application for exemption.

We agreed that when we look at the applications, we need to be very pragmatic. But it is difficult because students have many different experiences with very different documentation to prove it. E.g. Extracurricular activities which cannot be taken into account.

We decided to brush up the process and evaluate the specific case again.

### 5. Date and topics for the Town Hall Meeting

This semester's Town Hall Meeting will be hosted online October 7 October 4pm – 6pm. Martin will send out the invitations. We will choose the specific topics closer to the meeting, but we will definitely touch upon the tech track reform.

## 6. Streaming Event

Summer Games was a success, so we want to do another streaming event. More information will follow.

## 7. Update on the Game Lab

It is evolving and now feels more like the old Game Lab. The social part of the Game Lab is bringing people together.

We will need to replace some equipment. We decided to have a look on what is relevant to buy.

## 8. Wishes for the S21 schedule

GAMES like to be in the DR-building, and prefer to have courses over there. We will have some courses online next semester. Which courses will be announced along with the schedule.

## 13. AOB

We will soon begin to look for new student members. An announcement will be made at the Town Hall Meeting.
