ITU Career Weeks

A social learning lab, where you and your fellow peers get a professional playground of events and workshops to start forming your career

ITU Career Weeks Kick Off

September 25, 10:00- 13:00 in Atrium

Meet the ITU Study and Career Guidance & this semester's career ambassadors, students just like you, who will tell you about the Career Weeks program over a piece of cake in Atrium.

Hack your efficiency and improve as a student!

September 27, 16:00 – 18:00 in Aud. 2

Becoming good at your studies is the first step towards a good career. This Study Technique Workshop empowers you in your student life and helps new BSc and MSc students kick-start their first semester. The workshop helps you to put your current skills and strengths into play. You will also be presented with well recognized study skills and strategies. Come by and be inspired by consultant Mads Lønnerup from Supplement and your fellow students.

Tips and Tricks for Getting the Most out of ITU Job & Project Bank

October 2, 10:00- 13:00 in Atrium

Meet the team behind ITU Job Bank. Come ask them your job search questions. As a student, you can create a personal profile in the Job Bank, add skills, competencies, and job interests. Having a profile show you to attractive employers, allows you to participate in virtual events, and is an easy way to find and apply for jobs and projects. See more: itu.jobteaser.com

Student Job Hunt: Strategies, Essentials and Opportunities

October 2, 15:30- 18:00 in 2A54

Whether you wish to advance your current career or are looking for a new student job, career planning is a process of discovery and action. Join in on our event designed to equip you with the knowledge and skills to better go about job search, including how to decode the Danish Job Market, strategies for student job search and how to communicate your competence confidently.

Meet The startup incubator for ITU students

October 3, 10:00- 13:00 in Atrium

Building a startup is hard and takes a lot of effort. There are many things that you need to figure out, but you don't need to do everything all at the same time. In reality it is simply a sequence of steps taking you closer to your goal. And we are there to support you on that journey. We provide the right resources, mentorship & financial support for ITU students to create new technology startups at the IT University of Copenhagen. See more online: itustartup.dk

LinkedIn – Grow Your Professional Network

October 3, 15:30- 17:30 in 4A56

Did you know that LinkedIn is the world's largest professional network and the go-to platform for 98 percent of Denmark's workforce, and that is highly used for recruitment for student positions? Join our seminar to better navigate on LinkedIn, refine your online professional presence and build your confidence in online networking prior to IT Match Making.

CV Check with IDA and Novo Nordisk

October 4, 09:00- 13:00 in Atrium

Do you need an input on how to make your CV eye-catching for an employer before you bring it to IT Match Making? Have your CV checked and get good advice on how to improve it. Don't miss out on your opportunity to get an informal advice session when IDA visit ITU with some of their most experienced career advisors. You can also get feedback on your CV from a company point of view by recruitment specialists from Novo Nordisk.

IT Match Making

October 5, 10:00- 14:30 in Atrium

Looking for a student job or project collaboration? Join the career fair IT Match Making and meet your future employer. Whether you are a 1st-year student or completing your master, do not waste your chance to form the early stages of your career. You will meet hiring managers interested in ITU students with your profile and competencies. You will also meet ITU alumni already working at the company who are happy to share their first-hand experience working at the company.

5 Simple Resume Tricks to Help You Stand Out (online)

October 10, 8:30-9:30 – online workshop

If you're currently seeking a new student job, you're likely aware of the importance of crafting an impressive resume. Its primary goal is to secure you an interview, where your professional expertise and interpersonal skills can truly shine. Your mission? Condense all your professional achievements, ambitions, enthusiasm, and unique personality onto a single sheet of paper or perhaps two. This can indeed be quite a challenge. And for this, we have your back!

Crafting Impactful Cover Letters (online)

October 10, 10:00-11:30 – online workshop

A staggering 74 percent of job openings are advertised online in DK, each of them requiring you to sit down and compose a well-crafted cover letter. Regardless of how enthusiastic you may be about the position, mastering the art of creating a standout cover letter can be quite the challenge. This workshop provides you with valuable tips and tricks, making the process of crafting cover letters more manageable and less daunting.

ATTENDING COMPANIES AT IT MATCH MAKING
