

This is the webform for applications for exchange in the fall semester of 2024. The webform will take you through three sections. In the first section, we ask for basic information which we need to process your application.

In the second, you make prioritised wishes for exchange to specific partners. In the third, we ask you to state in brief your personal and academic expectations to and motivations for exchange.

- MSc students: have your bachelor diploma ready for uploading
- Remember that you can make up to 8 priorities in your application
- Remember to check which universities are partnered with your programme at ITU

Should you wish to make changes after submitting the application, you can fill in a new form as long as you are within the deadline February 1. As a rule of thumb, we will go with the latest submitted application. If we are in doubt, we will contact you.

You have now filled in your priorities. In the final part of the form, we will ask you to tell us about your expectations and personal interest in exchange.

Our expectations are that you write no more than 1200 characters per section (or max 1 page in total).

Bear in mind that exchange seats are first and foremost allocated based on grade point average when there are more applicants than seats.

Your responses to the following sections come into importance in the event of a tie.

Under all circumstances, the IT University reserves the right to make the final decision on whether or not to offer an exchange seat.

Please tell us briefly how your personal experiences may prepare you for a semester abroad and what your expectations are

Please tell us briefly how a semester abroad may fit into your current studies and what your academic expectations are

Consent Form (must be supplied)

I give SAP permission to access my grade transcript from my current enrolment for the purpose of allocating seats for exchange (1) ☐

I give SAP permission to access and use the data provided in this form for the purpose of evaluating my exchange application (1) ☐

In the event that I am offered and accept an exchange seat at a partner university, I give SAP permission to treat and exchange personal data with the partner university for the purpose of exchanging me (1) ☐

Press finish to submit your application. We will return to you 1-2 weeks after the deadline.
Thank you!
