MONDAY GAMES

WHEN: MONDAY AUGUST 19TH 16.00
WHERE: IT UNIVERSITY OF COPENHAGEN, ATRIUM
WHAT: After a long first day of work, you get a chance to catch up with your fellow students and meet all your Tutors. We will meet up in Atrium in our theme groups at 16.00 after the academic hours. In the theme groups, you will start by getting to know your team which will consist of students across the four study programmes at ITU. Your theme group will compete against other theme groups in different games and disciplines. We will walk together, so no one gets lost. The Monday Games are not mandatory, but it is a great way to get to know your fellow students and Tutors, and it is so much fun! Afterwards we’ll head back to ITU where ScrollBar is ready to take care of us!
WHEN: TUESDAY AUGUST 20TH 16.00
WHERE: IT UNIVERSITY OF COPENHAGEN, ATRIUM
WHAT: It's Tuesday and you are probably a bit tired after your first two days. Therefore, we are grilling and chilling! So, come join us for a refreshment and a hotdog outside of ITU. ScrollBar, our very own bar, will be providing refreshments, and your Tutors will provide the food. There will be opportunities to dance, play games and sit and talk with new friends – whatever you feel like! Or you can sit by the canal and mingle with your fellow students and Tutors. Show up for a cosy time!
WHEN: WEDNESDAY AUGUST 21ST 16.00
WHERE: IT UNIVERSITY OF COPENHAGEN, ATRIUM
WHAT: After your academic hours are finished we are going sailing! You will be taken through an hour’s worth of beautiful city highlights as we are sailing the canals of Copenhagen. We will meet up in the Atrium at 16.00 in our theme groups and walk together to Islands Brygge. From there, we will be sailing an hour in the canals of Copenhagen. Beverages and food can be bought on the way to Islands Brygge, but do keep in mind that there will be no toilets on the boat! When we arrive at Islands Brygge, there will be an opportunity to play different games prior to the boat trip, and mingle with your fellow students and Tutors. After we return from the sea, we will be hosting a Limbo tournament for everyone. From 22:00 we invite everyone to join us on the first floor of Heidi’s Bier Bar.
WHEN: THURSDAY AUGUST 22ND 16.00
WHERE: Ørstedsparken, near the HC Ørsted memorial
WHAT: We will be having a massive pub-crawl in the inner city. We will meet up in Ørstedsparken where we will be chilling before we go to our designated bars. The groups we are going to crawl in are random, and the Tutors will divide them when everyone is gathered in Ørstedsparken. There will be competitive games at the bars to increase the fun. All groups will end the pub-crawl at Den Glade Gris where we will spend the rest of the night. You don’t want to skip this epic pub crawl!
INTROPARTY

WHEN: FRIDAY AUGUST 23TH 20.00
WHERE: IT UNIVERSITY OF COPENHAGEN
WHAT: The intro party marks the final event of your intro week. The event is not hosted by your Tutors but by ITU-staff. But fear not, your Tutors will, of course, be present to celebrate the study start with you, and there will be artists and DJ’s to keep the dancefloor lit all night. Even though the event is not hosted by your Tutors, each theme group will arrange a little get together before going to the intro party. We will meet up and eat some dinner, get a refreshment and go to the party together.
